## 'A' Rated!

Tom Givans managing director of  
 Dungannon Window Company Ltd  
 set his target of achieving an 'A' rated  
 PVC U sliding sash window by  
 January 2010.

With Tom's product knowledge and the  
 dedication of production manager Gary  
 Givans this target has been surpassed  
 with the *eurosash* range achieving the  
 prestigious BRFC 'A' rated certificate  
 earlier this month.

This incredible accomplishment has  
 placed *eurosash* as being the first Irish  
 producer to attain an 'A' rating on PVC U  
 sliding sash windows.
