

News item 24th May 2008

Its show time again, we return to the Self Build Extend & Renovate show in Galway for the 3rd year running. The exhibition runs this year for 2 days – Saturday 24th and Sunday 25th May 2008. Our new stand was well received by all who seen it at the Better Homes show at the start of May, and will be on display again with all the new features.
